

Report of a Special Lectures on International Standardization

- Lectures by Ms. Ulrika Francke, ISO President,
and Mr. Sergio Mujica, ISO Secretary General -

The Japanese Standards Association (JSA, Headquarter: Minato-ku, Tokyo; President: Hiroshi Asahi) held a Special Lecture on International Standardization on Friday, June 16, 2023.

This lecture was made possible by the visit of Ms. Ulrika Francke, President of the International Organization for Standardization (ISO), and Mr. Sergio Mujica, Secretary General of ISO, to Japan to attend the ISO Council Meeting.

After opening remarks by Ms. Azusa Nakagawa, a member of the ISO Council and a board member of JSA, President Francke and Secretary General Mujica gave lectures on the following two topics.

1: ISO Strategy 2030

2: ISO activities related to SDGs and future of standards & standards development

The lectures were delivered with simultaneous interpretation between English and Japanese in the venue where was filled to capacity, and a lively Q&A session followed each lecture.

Ms. Ulrika Francke

Mr. Sergio Mujica

The presentation materials for the lectures are currently posted on the JSA's website. If you were unable to attend the event, please take this opportunity to review them.
